Studio Relaxer - Wallsaver

Arms
Our Motion Arms incorporate a small convenience table, cup holders and internal storage

Space efficient
Our Motion Furniture efficiently utilizes available space. In addition each unit can be placed within a mere 15cm of a wall due to our unique wall-saver mechanism.

Experience Scandinavian passion

As a Norwegian-based company part of the Ekornes ASA Group, we are proud of our Norwegian heritage and roots. IMG (Internasjonal Møbel Gruppe) is located in Sykklevn, Norway – a place filled with scenes of natural beauty.

Scandinavian design is at the heart of our productive vision, and we aim to produce furniture in which beauty is not only a clear feature, but a true benefit to you. Because we believe that truly outstanding furniture combines both stunning aesthetics and quality comfort in perfect harmony.

Relaxer

Our Manual and Power Relaxers are an essential basic comfort provider for your home. Whether you choose Manual or Power, you will receive a cosy, practical armchair with an integrated footrest you can operate either using a hand lever or a simple button. The Relaxer by IMG- the chair you will never want to leave.

Power Relaxer

Power offers a motorised recline and integrated footstool on top of the standard manual functions.

Quality built to last

- 1 Injection moulded Cold-Cured foam ensures ergonomically correct seating posture and enhanced support that lasts
- 2 Adjustable head and neck support gives you the ultimate comfort in all seating positions
- 3 Effortless deep recline
- 4 Steel springs located throughout the back and seat provide optimum support whilst cradling the body
- 5 A steel and hardwood frame provides durability and strength
- 6 The advanced mechanism offers both gliding function and 360 degree swivel
- 7 The integrated footrest and recline can be easily released manually or upgraded to power
